

40 Paper

At 40Paper, our private dining room can be easily converted to host a casual cocktail party. With most of the tables removed, we can hold up to 50 people for a standing cocktail party of drinks and hors d'oeuvres. The menu below offers two options for food, and drinks can be organized in a variety of ways. While the PDR fee still applies (\$99) you will have full access to the room for the entire evening. Email us with any specific questions or request when you would like to reserve the room.

Drinks:

Our bartenders offer an extensive selection of cocktails, beer & wines. While most guests simply pay for what their guests order, you can also opt to have a limited menu available (i.e. custom cocktail list, beer and wine only, pre-selected bottles of wine, etc.) We can also set a bar tab limit, or restrict the time period for ordering drinks. Let us know what you'd prefer and our bartenders will be happy to find a solution that best fits your needs.
